- Anyone under assembly discipline that would preclude it, cannot be provided with meals or lodging.
- Inquiry to the appropriate assembly will be made for any guest with whose personal testimony we are not familiar with prior to the conference.
- Those aged 16 and under be under the supervision of a responsible adult.
- When deciding how late to stay up, all guests are asked to be mindful of all other guests in the hotel, as well as remember that one of the primary reasons we are hosting the conference is to be together at each of the meetings.
- All guests stay in assigned room. If there is an issue with room assignments, please see William Hayhoe for possible consideration.
- Parents are asked to be aware of the activities of their children at all times (including at the school and at the hotel).
- The hotel pool to be used safely and respectfully, at the appropriate times, with children monitored at all times. Note only the Holiday Inn has a pool and it is smaller than the previous year's hotel's pool.
- All activities and conversations be carried out in mind that we are a testimony of the Lord to hotel staff, school staff, and each other.
