Accommodations

- There are no designated sites for RVs or tents, but you can set up in several open areas or near the lake. The bathrooms could be a little distance from your tent.
- For RVs, electricity may or may not be available. There is no dumping station. A dumping station may be available a few miles away at a campground for a fee.
- Men's and women's bathrooms with plumbing, i.e. flush toilets, sinks and showers, are available
- **Must bring your own sleeping bag/sheets/pillows for cabins and lodge rooms as well as tents.**
